

## A Word From The President

It has been another big busy month. Let's get right to it.

## Apple's New Computes

Apple has announced their newest computers. They are the Macintosh G5 computers. They look crazy and they seem really fast! There are so many specs to go over I just don't know where to start. My suggestion would be to go to the web site and check them out.

They can be pre-ordered on Apple's site but they are not going to ship until August. Start saving your pennies.

## Last Month's New Business By Dieter Protsch

PICNIC Publicity. The membership generally felt that we should aggressively advertise our picnic and the events provided in various local news outlets, including the e-mailing to all members. A suggestion was even made to provide some entertainment for the children. Laura Musser gracefully volunteered to work with the children. It was also clarified that spouses are bonafide members of CVAUG and as such invited to the picnic. Members found that the "yard sale" type picnic will provide great opportunities to sell, swap and buy computer related equipment. Apparently CVAUG used to have a large banner for advertisement. None of the members present

however knew where this banner is being kept. Final coordination for the picnic can be made during the monthly July meeting. CVAUG Library Questions were raised about our library material and a better consolidation and cataloging. Some material, such as old Apple II programs, apparently still in the hands of the former librarian, needs to be collected and properly handled in one central location. Ken brought up the availability of Apple-related various subscription magazines and newsletters through paid memberships in different clubs. Those publications contain valuable sources of information. New Checks. The treasurer requested that new checks be purchased to handle upcoming business transactions. Members approved purchase of sufficient amount.

I have a spelling checker,  
It came with my PC;  
It plainly marks four my revue  
Mistakes I cannot sea.  
I've run this poem threw it,  
I'm sure your pleased too no,  
Its letter perfect in it's weigh,  
My checker tolled me sew.
